HHH NEWS LETTER - VOLUME 1 – ISSUE 1 – MARCH 2009

One thing we all can agree upon is when we get up in the morning and live out our day . . . when that day is finished and we lay our head down at night, then get up and do it all over again . . . no matter if that day was good or bad, we owe that opportunity to the Men and Women of our US Uniformed Military Service. To all who have donned that uniform. . .

THANK YOU!

Care Gifting comes any many forms – Care Packaging, Care Giving, Care Volunteering, Care Rewarding . . . the possibilities are endless. All it takes is the Desire to give back a little. Valentines for Valor was a HUGE success. In fact, there was such an out pour of giving, we were able to send items to a forward operating Combat Hospital for the first time. HHH would like to send out a couple HOORAW's to Kids Town Children's Ministries at Crossroads Community Church who not only "created" a plethora of Valentine Cards, but also filmed their own personal Valentine's Greeting! This was a first time for the HHH adoptees. Will let you know of any response that we receive next month. Also, Western School Corporation was very instrumental as well in "creating" Valentine Greeting Letters, full page letters. Awesome job! Just to let you know, the Soldiers actually post these letters in their tents and in common areas for incoming units to enjoy. Thank You to all who enabled our group to do so much in February.

In Summary, we sent 36 packages to the troops which totaled \$350 in postage. Monetary Donations for the month added up to \$500.
