Thank you all again, I received another one of your boxes today. Everything in it was great especially the Colt Cheerleader signed poster. I asked my Commander if he'd got one from the Steelers Cheerleaders (he's from Pittsburg), and he said Pittsburg only concentrates on winning Super Bowls. I guess he got me there....was pretty funny; we'll see this year. If you get a chance I have a Soldier that really doesn't have any family that could use a little something. His name is SPC Terry Sampson, same address of course. Thank you all again, tell Mom I love her!!
